Thanksgiving

Dear Members of Train Mountain,

This is a great time to recall with appreciation those who made volunteer contributions this year! You have shown that a great number of you are truly hobbyists. You have maintained the 'live' in "A Living Railroad". The volunteerism proves what is in the heart—that your desire is to have a great place to play trains. While this list of deeds is **not complete**, as there are a great deal more volunteer time lists that could have been placed in the office. Yet with what we have, the 'to do' card file, and an imperfect memory, this list has been compiled. The tasks are greatly abbreviated but very greatly appreciated as it made it possible **and pleasant** for all who rode the rails!!
