

Train Mountain Railroad
2015 Board of Directors Election Ballot Results

Number of Ballots e-mailed: 589*

Number of ballots mailed and hand-delivered: 14

Number of ballots returned as undeliverable: 15

Number of 2015 adult members: 1143*

Number of members who voted: 104

Notes: *Family member registrations often only give one e-mail for the entire household. In such cases, each adult member in the household could submit an e-mail vote. A couple of ballots replied to by e-mail had no boxes marked and no write-ins. A small number had only one to four boxes marked instead of five. One person who could have voted because he replied to e-mail on Sept. 11, 2015 thought he was too late because it was 5:00PM, so he did not mark any boxes for a vote.
